

ANNUAL AWARDS

Now that the year is almost done it's time to start thinking about annual awards. This is for titles that your dog completed between January 1, 2011 and December 31, 2011.

I would very much like you to submit your title to me via email. If you sent it snail mail then I have to re-type what you have sent in the list I send to the engravers and that means there is a chance I could make an error when I type it. If you send it in email then I can cut and paste.

The format I need is: dog's call name, the organization, the title abbreviation, and the title in words so I can say that when I'm handing them out at the dinner. If you have run out of room on your existing plaque and you need an extension be sure to tell me that too. If you have a new dog that has completed a title you need to give me the dog's registered name in addition to the other information and let me know you need a brand new plaque.

So, a submission would look like:

Streaker - AKC, MXJ, Master Agility Jumpers

In order to be eligible for these awards you need to have participated in MKC meetings and events during the year. You need to send me a completed participation form which may be found in the files section of the Yahoo group or on the website.

Please send your awards request by COB January 14th, 2012 to me at:
agilebeardies@verizon.net

Please fill out and submit with your request for new title recognition to be presented at the Annual meeting. In order to be considered for recognition, members should have participated in 6 meetings/events with at least one being from the event column.
