**Mattaponi Kennel Club's Agility Assumption of Risk and Agreement to Hold Harmless**

I understand that attendance of a dog agility training event is not without risk to myself, members of my family, guests who may attend, or to my dog, because some of the dogs to which I (we) may be exposed may be difficult to control and may cause injury even when preventative measures are taken. I hereby waive and release the instructors, members and guests of the Mattaponi Kennel Club from any and all liability of any nature, for injury and damage which I or my dog may suffer, including specifically, but not without limitation, any injury or damage resulting from the action of any dog, and I expressly assume the risk of any such damage or injury while attending any training session or club event or while on the training grounds or the surrounding area thereto. In consideration of and as an inducement to the acceptance of my application for membership or my participation as a guest in this agility class, I hereby agree to indemnify and hold harmless the instructors, members and guests of the Mattaponi Kennel Club from any and all claims, or claims by any member of my family or any guest that may accompany me to club events, as a result of any action by any dog, including my own.

## Administrative details:

Dogs must be at least twelve months old at the start of the class. Because growth plates have not closed, handlers are cautioned to not attempt full jump heights or full height contacts until the dog is at least 18 months old. Those with larger breeds should consider waiting even longer. Note our instructors are aware of the dogs ages and will be looking out for this. Obedience training is desired, such as a recall and 30 second stay.

Students new to Mattaponi who started their agility training elsewhere and want to enroll in Intermediate I Intermediate II or Advanced need an evaluation. (Title certificates for AKC Novice or equivalent may be submitted in lieu of going to an evaluation.) Contact the registrar to determine when the evaluation will be conducted.
